GORE DENIES CHARGES OF MRS. BOND

Tells Story of Visit to Hotel Room on Invitation of Woman in the Case

SAYS WOMAN CREATED SCENE ON HIS LEAVING

Denied Ever Being Called Up by Kern Before Senate Committee

OKLAHOMA CITY, Feb. 16.—Thos. Gore, Oklahoma's blind senator, today testified in his own defense in the \$50,000 damage suit brought by Mrs. Minnie Bond, who charges assault. He flatly denied that he ever made advances or took liberties with the woman. He said the woman had besought him to secure the appointment of her husband as revenue collector. Gore testified that Mrs. Bond took him to her room in the hotel. He said: "I sat on a chair near the bed, and Mrs. Bond sat on the bed. When I started to leave I extended my hand. She took hold of it and seemed to go down on the bed. What does this mean?" I asked. She gave me an answer I did not understand. Then I heard someone enter the room. He said he was Thaddeus Robertson. We exchanged greetings. Then Mrs. Bond began to cry and carry on. Robertson told her to stop squalling. He talked to her in an undertone. I asked Robertson to get my hat. He did so. "What have you to say about this, Mrs. Bond?" I asked. She answered, "I don't want Mr. Bond to know you were in my room." I put the same question to Robertson. He said he had nothing to say. Neither suggested at any time that anything improper had occurred. Dr. Earp called on me next day and said he heard I had been charged with improper conduct. I said it was an infamous lie and that I would see those people in hell before I would make any terms. Gore denied that he told Earp "to get Mrs. Bond out of town for God's sake." Gore also denied that Senator Kern had summoned him to appear before a senate committee to discuss the charges.

CHRISTOFFERSON IN LOS ANGELES

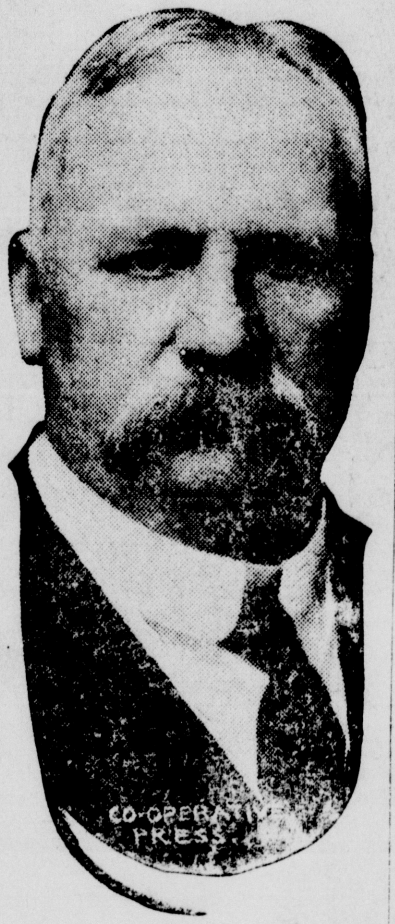

Bucks Stiff Winds All the Way from Bakersfield After Ascent Today

LOS ANGELES, Feb. 16.—Silas Christofferson alighted at Ascot Park at 12:25 o'clock today. He completed approximately the 125 miles from Bakersfield in 3 hours and 40 minutes without descending en route. The slow time was due to the heavy winds he was compelled to buck nearly all the way, the engine behaving beautifully. He expected to rest here, resuming the flight to San Diego at 10 o'clock tomorrow morning. Left Bakersfield at 8:45. BAKERSFIELD, Feb. 16.—Aviator Silas Christofferson today ascended at 8:45 a. m. and resumed his flight to Los Angeles and San Diego. He passed Tehachapi at 10:32 and Mojave at 10:40.

AMBASSADOR PAGE AS LINGUIST IS GREAT SUCCESS

ROME, Feb. 16.—Ambassador Nelson Page is in imminent peril of being awarded a Carnegie hero medal. At the recent meeting of the Italian branch of the Carnegie Foundation, he insisted on conducting the entire business of the meeting in Italian and got away with it so well that at the close his Italian conferees unanimously decided that at the next sitting they would present to him his own name for an award. The commission for the first time in Italy awarded a gold medal with \$200 in cash. This went to Dr. Pietro Poinanini. While performing a difficult operation upon a woman to save her from blood poisoning, Dr. Poinanini found that she must inevitably suffocate from the blood that flowed from the wound into her throat and lungs. Placing his mouth over the wound he sucked away the infected blood until the hemorrhage ceased and he could proceed with the operation. Several bronze and silver medals were also awarded for acts of bravery in connection with life saving.

Virginians Happy Over Their New Governor

Virginia has seldom taken as much interest in a public official as in Gov. Henry Carter Stuart, whose inauguration has just taken place. From all over the state Democrats and Republicans flocked to Richmond to see him take office. The services at the inauguration were said to be an inspiring spectacle of the confidence the people of the state have in their new chief executive. The new governor is fifty-nine years of age. He is a graduate of William and Mary College. He has long been in politics, but largely as a delegate to conventions. The offices he has held were not particularly important. He is a relative of General "Jeb" Stuart, the famous cavalry leader, and the widow of the soldier was one of those prominent at the inaugural ceremonies.

PITTSBURGH, Feb. 16.—Ninety persons were in a speeding street car when it struck an open switch Saturday night and toppled on its side. Thirty were injured, three women probably fatally.

50 ZAPATISTAS TO BE EXECUTED

MEXICO CITY, Feb. 16.—Fifty Zapatista prisoners were brought to the capital today under heavy guard. They arrived from the mountains to the south, where they were captured. It is believed they will be executed tonight. Thirty were killed in the fight in which they were captured. Attack on Tampico Postponed. VERA CRUZ, Feb. 16.—Rear-Admiral Fletcher with his squadron has returned from Tampico. It is reported that the Constitutional Governor of Tamaulipas, Gen. Luis Caballero, who has been threatening to attack Tampico, has returned to Ciudad Victoria. Apparently the plans of the rebels have been changed and the attack on Tampico has been postponed indefinitely. NEW SANITARY BARBER SHOP is now open in the Princess Theater building, 306 Main St., with a complete two-chair shop. Everything new and clean. Children's hair cutting a specialty. E. T. NOT DECIDED ON POLY BOYS GET CALLING FOR BONDS MANY FIRST PLACES

School Board Committee to Interview Citizens and Get Opinions

\$75,000 IS AMOUNT THAT IS SUGGESTED

All Agreed that Improvements Are Badly Needed and Should Be Made

The city board of education is not going to call for a bond election for providing additions to the Polytechnic High School unless it believes the bonds have a fair chance to carry. The amount of the issue proposed is \$75,000. At a meeting of the school board Saturday night three directors, Mrs. E. B. Norman, L. J. Carden and H. G. Dean were appointed a committee to interview a large number of citizens and get from them their opinions as to whether or not it will be worth while for the school board to submit a bond issue proposal to the people. All of the school authorities are agreed that the bonds should be voted. They say that conditions are such that now is the time to vote the bonds and get the money for the work. It will take \$25,000 to build a good auditorium and furnish it, and \$25,000 more to add needed class room to the poly building and buy needed apparatus for various departments. Of the proposed \$75,000 bonds, \$50,000 would be for high school and \$25,000 for grammar school. The \$50,000 would be used as stated above. The \$25,000 would be used for painting some of the schoolhouses, putting a new roof on Lincoln school, remodeling Washington school and possibly establish two schools, one at the east end and one at the west end, for Spanish children. With the high school growing rapidly and the capacity of the class rooms already near the limit, additional class rooms will be needed at the first of next year. In fact, in some of the departments they are badly needed right now. By building one wall on one building and another wall at another building, room will be secured for several additional class rooms at a comparatively small expense. These conditions were what caused City Superintendent of Schools Cranton to urge the necessity of a bond issue. His estimate of what should be voted to meet the demands of the growing school is \$50,000. At the meeting of the school board Saturday night, W. L. Duggan, president of the board, stated that unless the bonds are voted soon it will be 1916 before the needed improvements can be secured. The term of the present board will end in April, 1915. If the bonds are voted now, the present board can carry the project through. The president stated that he thought it would hardly do for the project to be started by this board and the bulk of it left to be carried out by the next board. Either this board or the next should carry the matter all the way through. If not voted now, bonds probably should not be asked for by this board, and it will be the probable duty of the next board to ask for bonds immediately upon taking office, as the necessity for the improvements will then be pressing. An estimate was made of the cost of holding an election, and \$250 was set as the maximum figure. Some of the members of the board were of the opinion that \$250 should not be spent if it appeared that there was no chance of carrying the election. There were varying opinions as to what the result at the polls would be. The committee was appointed to make a careful investigation and an estimate of what support and what opposition a \$50,000 bond proposal would have. No date was set for receiving the report.

Remarkable Showing Made by Local Athletes in Occidental Meet

Nine gold, first-place medals and a silver cup were Santa Ana's share of the spoils from the Occidental Relay Championships, held last Saturday. Santa Ana took first place in every event she entered. "Jumbo" Anderson easily took first in the special high jump at 5 feet, 6 1/2 inches. Gates of Hollywood, his rival of last year, had to content himself with second place. Anderson was good for several inches higher, had been pushed. Anderson jumped 5 feet, 10 inches last year using the old scissors jump, but this year he has changed to a form similar to that used by George Horine, the world's champion in this event. Consequently he has been rather slow in getting into form this year, but he always has the habit of climbing over the bar just a little higher than the other fellow—even when he meets the best in Southern California. The half-mile, four-man relay was easy for Santa Ana. Monrovia, who was doped to win, was yards behind at the finish. Plavan led out for Santa Ana and succeeded in getting the pole, which counted for a great deal in a race with so many entries. Besides the inside lane, Plavan gave Charlie Fahey about a foot lead for the second lap, and that young gentleman immediately showed his heels to the bunch and finished his lap five yards in the lead. Fahey ran a wonderful race and surprised the crowd with his speed. Dameron took up the burden for the third lap and added several yards more against a fast field. He could have outdistanced a speed-cop as he flew around the course. Bev. Anderson made the grandstand roar as he came tearing up on the last lap. He was every bit of ten yards ahead of the Monrovia man, and the whole pack was bunched around the second place man. Santa Ana's time was 1 minute, 37 1/2 seconds, an average of better than 24 1/2 for each man. In the mile relay for four men Captain Keech started seventh from the pole. When his quarter was half finished he was running third and by the time he swung into the final straightaway he was considerably in the lead. The first and last laps are usually the hardest in a relay, the first because of the fight for the pole and the last because of the fast competition it affords. Both the first lap men for Santa Ana succeeded in winning the pole, and although he was not closely pushed, Bev. Anderson made fast time in the final sprints of both races. Keech gave Wallace a good lead for the second quarter, and this was passed on to Dameron at the beginning of the third lap. Dameron ran an exceptional race, after his hard 220. This was the first quarter he has run this year and it was one of the best seen at the meet. The time for this event was 3 minutes, 36 1/2 seconds, an average of 54 seconds flat. The orange county record for the 440 is 54 3/5 seconds. Outside of Santa Ana, Ortega, of Fullerton, is probably the fastest quarter-mile in the county. He was pushed to the limit a week ago when he won in 55.1, so evidently he is due for a big surprise in the coming county meet. The time made by Santa Ana in the mile relay was 1 1/5 seconds faster than that made in class I. So besides winning both relays in their class the local athletes captured the mile relay and the high jump over and above all the schools in Southern California. The school celebrated with an assembly today and will hold its bon fire probably before the week is over.

SHERIFF RUDDOCK IS GOING AFTER DYER

Sheriff Ruddock started Saturday night from the northern part of the state for Calgary, Can., to get Herbert Dyer, wanted here for the treatment of his step-daughter, aged 14. Dyer was living in Calgary under an assumed name. Ohio Apple Cider, 5c a glass, 10c a bottle, 30c a gallon. Phone 78 and will deliver. M. J. Bundy, corner Fourth and Ross.

BOTTLE FLOATS TO PT. HUENEME FROM THE GOLDEN GATE

ALAMEDA, Feb. 16.—A bottle containing his card, thrown from the steamer Buckman just outside the Golden Gate by Fire Chief Walter Steinmats of Alameda, has been picked up by Joseph Alvis, lighthouse keeper at Point Hueneeme, near Santa Barbara. The trip of the bottle will be used as the basis for an investigation of ocean currents by government officials according to a letter to the fire chief from the finder of the bottle. It took the bottle five months to make the trip.

PRESIDENT WILSON BUT LITTLE BETTER OF GRIPPE

WASHINGTON, Feb. 16.—The health of the President, who is suffering from gripple, shows such little improvement today that Dr. Grayson refused to permit him to leave his rooms, although he permitted him the usual callers.

NEW YORK IS FACING FAMINE---STORM CUTS OFF FOOD SUPPLIES

Fresh Snow Today---Coal Prices Soar--- Subway Jammed---20,000 Men Shovel Snow---Middle West Is Suffering

NEW YORK, Feb. 16.—This city faced a food famine today. The food on hand when the blizzard began last week is nearly exhausted, and the railroads are so crippled by snow fall that it is impossible to get fresh supplies in adequate quantities. Fuel is alarmingly low and prices are soaring. There was a fresh snowfall today. The snow is blinding and is driving before the wind. Three more deaths from cold have been reported. The subway is carrying practically all the traffic of the surface lines. The jam of people is terrifying, and scores of women were crushed and faint in the crowds. Heavy traffic is impossible. Twenty thousand men labored trying to make paths through the drifts in the streets. There was a pretense of milk deliveries yesterday, but none today. No milk supply has arrived on account of disrupted transportation. It is admitted the situation will be critical unless the blockade is broken within a few hours. Grocery supplies have been shut off. Worse conditions prevail in the small cities near New York. Jacob Vreeland fell in the snow at Bonton, N. J., and was suffocated. Trans-Atlantic steamers arriving Saturday still lay off Sandy Hook, unable to enter because of the snow and wind. Wireless messages have been received from twenty overdue ships reporting their positions, and which said the gale was unprecedented. There is some pretense at bay navigation but it is fraught with danger. The ferry boats plodded through the blinding snow today, tooting dismally while hunting for their slips. There were many near accidents and a few minor collisions. Thousands of commuters were unable to reach their places of business today.

Middle West Suffers

CHICAGO, Feb. 16.—Telegraph and telephone wires are down in every direction; train service is interrupted and in some cases at a standstill, as a result of one of the worst storms or combination of storms, in the history of the United States. Dispatches from various points in the Middle West say the entire country is covered with snow from two to fourteen inches in depth and the cold weather following means that it will remain for several days. There is a shortage of fuel and suffering is intense. The snow-stalled railroads will be unable to deliver coal immediately.

LEWIS' FIAT IS DEMOCRATS ARE MAYBE FATAL TO SPEED UP PROGRAM

Four Others Hurt as Racing Car Skids at Curve in Santa Monica Race Course

SANTA MONICA, Feb. 16.—Skidding at the Soldiers' Home curve at Sawtelle today, a Fiat car driven by Dave Lewis, while practicing for the Vanderbilt cup race, overturned and possibly fatally injured George Smith, and aged soldier, and Mrs. A. M. Pipes of Pollson, Mont. Lewis and his mechanic, Arnett, badly bruised, were taken to St. Catherine's Hospital here. An unidentified woman and girl who were also injured, were taken away in an automobile before their names were learned. It is not believed they were seriously hurt. A broken steering knuckle was the cause of the accident. The car was damaged but probably will be repaired for the race. Practically all the drivers are practicing today. Wishart in a Mercer turned the fastest eight-mile lap in 6 minutes, 42 seconds. Others were nearly as fast. The course is in fair shape and is promised to be perfect by Saturday.

TESREAU DENIES 3-YEAR CONTRACT WITH NEW YORK CLUB

SAN DIEGO, Feb. 16.—Pitcher Jeff Tesreau, one of McGraw's leading pitchers last season, has denied reports that he has signed a three-year contract with the New York club. Tesreau, who is wintering here, said that he signed a contract for one year only, turning down a three-year document which the Giants offered him. His friends believe that Tesreau is leaving the way open to desert to the Federal league next year if that organization appears to be on good footing.

UM-M-M-M! WHAT NECTAR

BERLIN, Feb. 16.—A bottle of 226-year-old wine which was discovered hidden away in a long forgotten cellar of a Naumburg vineyard was solemnly uncorked in the presence of the state horticulturist and the leading citizens of Naumburg recently. The wine, which had been laid down in the year 1687, proved on examination to have a marvelously delicate bouquet and at the same time to be of surprising vigor. A very little was sufficient to impart to a glass of new Naumburg wine the same bouquet and character. As only a small quantity was found the wine is literally worth its weight in gold, and the testing of it partook something of the nature of a sacred religious rite.

WILSON DOES NOT CREDIT REPORTS

Incredulous as to Statement of Walsh as to New York's Unemployed

MUST "BE SHOWN" TRUTH OF BUSINESS DEPRESSION

Is Optimistic as to Mexico and Free Tolls as Well as Trust Measures

(By John Edwin Nevin.)

WASHINGTON, Feb. 16.—President Wilson made it plain today that he would not accept as a fact the newspaper reports of a general business depression throughout the country. He incidentally said he thinks Frank Walsh, the head of the industrial commission did not speak authoritatively when he said recently that there were 350,000 unemployed men in New York city alone. It is generally understood that the president believed that Walsh got unverified figures from the newspapers. It also is true that the president is disturbed over the broadness of Walsh's statement, and while he personally would not discuss the matter, other persons connected with the administration talked freely of Walsh who has been censured by the administration for his "bad break at a time when the operation of the tariff and the income tax laws are being severely criticized by Republicans and Progressives." The president contented himself with the statement that all communications to him indicated that business is improving. The president also indicated that he intends to stand by his original declaration that sending troops to Mexico is not necessary now. He said England recently landed marines there with American approval. He does not believe the Americans will need to land troops, holding the opinion that the situation will ultimately adjust itself satisfactorily. He denied that South America is alarmed over the policy of the United States. He is still considering the personal reserve bank board, hoping to make a definite announcement on the first of the month. He denied that he intends to make Secretary of Agriculture Houston a member of the board. He indicated that he believes opposition to the trust bills will be centered on the commission. He also declared that he is not impressed with opposition in certain quarters to the repeal of the Panama canal free tolls and expects a bill to that effect to pass.

GOV. JOHNSON AND ESHLEMAN TALK TO SAN DIEGO SCHOOLS

SAN DIEGO, Feb. 16.—Governor Johnson and John M. Eshleman addressed the students of the High and Normal schools this morning, then visited the exposition site. This afternoon they addressed the Chamber of Commerce banquet, later attending a political meeting. Governor Johnson is scheduled to open an industrial fair tonight after which he and Eshleman will address a mass meeting.

Orange County Will Be There

SAN BERNARDINO, Feb. 16.—The National Orange Show, for the fourth time in as many years, is ready to receive the thousands and demonstrate to the world the wealth of the great California citrus fruit districts. The exposition opens its doors Wednesday afternoon at 2 o'clock. The formal ceremonies of opening will be held Wednesday evening, and for a week the 3,000,000 oranges and lemons, worked in beauty and splendor, will stand in review, a fitting demonstration of the riches of the industry. Orange county is to play a part in the National Orange Show, as it always has done. In addition to box displays from the Placentia district, that hustling community has entered fruit in various classifications for the world's prizes.

Expositions Commission Writes
that it Will Gather
Statistics

The Board of Supervisors today received a letter from H. B. Curley, secretary of the Southern California Panama Expositions Commission, in which Orange county is represented by W. W. Wilson of East Newport, stating that the California Development Board is endeavoring to secure funds from each county for the purpose of gathering industrial statistics for use in advertising the counties at the Panama-Pacific Exposition. The Expositions Commission asks the board to do nothing in the matter, as the commission is going to gather those statistics for the Southern California counties.

The letter also states that numerous schemes have been advanced for advertising the fairs, and the commission asks that all of them be turned down by the boards of supervisors. The commission has its own plans for advertising, and it asks that all

Says Roads Open
Today County Clerk Williams received a letter from W. Lewis Clark, division engineer of the State Highway Commission, in reply to the letter sent by Williams at the request of the Board of Supervisors. Williams' letter was a complaint that the contractor on the state road in this county has not maintained temporary roads for the use of the public. Clark's letter states that he thinks the supervisors must be misinformed, as he has been over the roads twice in the last week and found them open from the Los Angeles county line to Anaheim. When a section is closed, Clark says that good roads are open to get around the closed section. In La Habra a part of Whittier avenue is closed, but he says Central avenue, the most traveled road of the two, is open.

WERE MARRIED OVER
HALF CENTURY AGO

(By Staff Correspondent.)
ORANGE, Feb. 14.—Relatives from here went to Whittier Saturday to attend the fifty-fourth wedding anniversary of Mr. and Mrs. John Johnson, who formerly resided in El Modena, and are widely known in this vicinity. Mrs. R. B. Douglass of Orange, a daughter of Mr. and Mrs. Johnson, was among those who were present. Thirty guests attended the event.

The Orange Athletic Club basketball team will travel to Los Angeles this evening for a game with the Los Angeles Athletic Club team, which they defeated on the local courts Friday evening. A hard game is expected tonight.

On Friday evening of this week, the Los Angeles Y.M.C.A. team will be in Orange for a game with the locals. This will be a return game, Orange having played in Los Angeles several weeks ago.

W. F. Holt, a plumber employed by J. P. Donovan, was injured Saturday afternoon when his motorcycle was struck by an automobile. The collision took place at the corner of Shaffer and Chapman.

Mr. Holt was knocked senseless but soon revived and received no injuries more serious than a few cuts and bruises. The autoist stopped and picked him up, taking him to a doctor's office, where his injuries were dressed.

Charles Blakesley, a recent arrival from the East, has purchased the H. Hammond residence on North Pine street. Mr. Blakesley was in Orange two years ago, and was so pleased with this vicinity that he finally returned here to locate.

Rev. B. C. Cory went to Los Angeles this morning, and this evening will address a meeting of the Brotherhood of Vincent M. E. church in that city.

Mrs. Harry Lee of Pasadena, and Mrs. Elma Lee of Villa Park, are spending the day with Mrs. B. R. Douglass.

Mrs. Hewes, who has been making her home with her uncle, David Hewes, for some time, left Saturday for her home in San Francisco.

B. Morgan from near Boulder, Colorado, arrived here Friday, and will look for a location. His wife and two children and his sister have been spending the winter here.

Jack Caister, who has been in the hospital for six weeks with pleurisy and pneumonia, is at the G. D.

DR. EDWIN RAYMOND, NOTED GERMAN SPECIALIST OF CHRONIC DISEASES, COMING

I hear the same old story day after day: "Doctor I am discouraged, I have taken enough medicine to float a ship, or I have had so many different doctors tell me I had one thing after another, that I have about given up."

Now let me say to you. There are a thousand diseases on the list of what is known as Chronic Ailments and probably ten thousand symptoms either direct or remote and the average doctor is supposed to treat them all or at least seldom refuses to treat them all. He may be conscientious in his desire to help suffering humanity, but in undertaking so large a task, he is more liable to fail ten times than cure once, and he cannot without injuring a patient's confidence in his ability, recommend the service of a specialist instead of his own. The average physician is an amateur in the treatment of Chronic diseases, he does not treat enough cases to know a great deal about them, his time is taken up in bedside practice and full assortment of human ills, he cannot devote special study to any particular branch of practice. The more complex and perplexing ailments the family physician seldom cares to treat. He generally sends them to the hospital. The true specialist is a physician who is absolutely sure, and expert in his treatment. He treats difficult cases with the same certainty with which the general practitioner treats the most common ailments. For the past twenty-five years, I have been treating CHRONIC diseases. You can come to me knowing I have treated hundreds of cases like your own, and thousands of others very similar. You can rest assured that I will know what to do, and will do all in my power to cure you.

My specialty, besides being limited

Toothache home, and will spend some time there.

The Diamonds class of the M. E. Sunday school, chaperoned by Miss Ida Mae Hoge, enjoyed a picnic party Saturday at the Santiago creek. Twelve members were present and a jolly good time was reported. A tempting array of good things to eat and drink were spread out and soon disappeared. At 3:30 the party went to the J. P. Lee home, where more refreshments, ice cream and cookies were served.

GLASS OF SALTS IF
YOUR KIDNEYS HURT

Eat Less Meat if You Feel
Backache or Have Bladder
Trouble

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels, removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.

ARE ASKING FOR
DOUBLE TRACK

The South Coast Improvement Association, representing Naples, Seal Beach, Sunset Beach, Huntington Beach, East Newport, Newport Beach, West Newport, Balboa and Balboa Island, after repeated failures to secure the double-tracking of the Pacific Electric line, between Huntington Beach and Balboa, has made formal complaint to the State Railway Commission. The latter body is asked to set a date for a hearing at which time complaints of insufficient accommodations and poor service, due to the single track between the points named, may be heard.

GARDEN GROVE
BECOMES PETALUMA
OF THIS END OF STATE

Over \$175,000 Received in
Year for Eggs Shipped from
One Depot

GARDEN GROVE, Feb. 16.—With a shipping record of sixty cases of eggs a week, this community lays claim to being the Petaluma of Southern California. There may be communities that produce more hen fruit, but no community the size of Garden Grove does it, so it is declared.

In 1913 the Garden Grove community marketed 7,884,900 hen eggs. The average price received was twenty-seven cents per dozen, so the hen keepers of this vicinity pocketed \$177,390 last year, as egg money, and it comes very near being clear money for there are not many poultry keepers hereabout who pay any attention to their layers. This is a sugar and pepper ranching community, and the hens have to scratch for themselves. In reality there isn't a single big market egg ranch in the district, as big ranches are considered, but everybody keeps a few dozen hens.

The market poultry business is very good here, considering the size of the community. One poultry buyer bought an average of \$2500 worth of fowls per month here last year.

"Faultless" Houdans

This strain has been egg-bred from trapnest records since April, 1890. I have bred them 21 years for large size, white eggs; these fowls are extremely hardy, have neither comb nor wattle to freeze, and are the best of all winter layers in open front coops. Faultless strain Houdans have won every blue ribbon at New York, Boston, Chicago and Philadelphia. Shows for past six years; eggs and stock sold on honor; send 10c for the largest illustrated poultry catalogue ever issued; it tells you how to breed these fowls, which average 250 eggs a year apiece; it tells you how to net \$3000 a year from 100 hens. ON VALENTINE DAY

Mrs. Balderston Hostess at Progressive Whist With Valentine Effects

One of the very prettiest parties of the season was that given on Saturday afternoon by Mrs. George Balderston at her charming home, 221 South Main street. Good Saint Valentine surely must have hovered over the preparations for the enjoyable function, so delightfully appropriate were the decorations and diversion to the day set apart for his honor. The beautiful parlors were brilliant with scores of red hearts, with ropes of smilax overhead, while dozens and dozens of lovely red carnations were employed in the effective red and green color scheme used by the hostess.

Progressive whist was played, with Mrs. Raymond Miles taking honors. Her reward was a handsome cut-glass dish. Martha Whitson was consoled with a charming Cupid decorated with a huge red ribbon bow. A "free-for-all" prize was captured by Mrs. E. S. Gilbert, who drew the ace necessary to win the six exquisite optic goblets that comprised this trophy.

Delicious refreshments in which the tints of the color scheme were strikingly carried out were served on small tables which were covered with crepe paper napkins adorned with a heart design and finished with a border of red. The favors were unique, being clothespins cleverly made up as Maidens of the Modern Day and dressed in modish garb. These were designated as St. Valentine's sweet hearts. The young ladies who served were Miss Irma Reinhaus, gowned in pale blue chamoisee trimmed with shadow lace and decollete, Miss Helen Reinhaus, attired in a red and white chamoisee, lace decked, with baby sleeves and low-cut neck; Miss Doris Robbins, wearing Dresden-mull with garniture of tiny pink rosebuds, and Miss Margaret Robertson, who wore dainty pink crepe trimmed with white swansdown. The charming girls wore cunning white aprons with pierced heart design, the design on two of these being in red and two in green.

Mrs. Balderston's guest list included Mesdames Cora Cavin, P. L. Tople, T. A. Winbiger, Roscoe Whitfield, H. C. Dawes, J. W. Bishop, Chas. Kendall, L. J. Carden, Russell Scott, W. L. Grubb, O. M. Robbins, H. M. Robertson, Arthur Pease, H. H. Reeves, Geo. Briggs, A. W. Rattan, Fred Parsons, Max Reinhaus, Arnold Peek, Homer Peek, Teresa Goodman, Rufus Chase, Chas. Kelley, W. L. Tubbs, Ralph Preston, W. E. Winslow, E. S. Gilbert, Raymond Miles, E. E. Miles, Emory Ratcliffe, W. W. Wasser, F. C. Rowland, O. K. Forky, Sam W. Nau, O. H. Egge, Verne Whitson, L. L. Whitson, Robert Shaffer, Howard Turner, F. H. Worden, A. J. Padgham, John Wehrly; A. A. Harris of Brookings, South Dakota; Mrs. John Nooyan of Los Angeles; Misses Mary Cotter, Martha Whitson, Pauline and Teresa Reinhaus.

At a Country Home.
An enjoyable birthday party was given at the William S. Thomson home near Huntington Beach recently at which Mr. Thomson was the honoree. The affair was in the nature of a two o'clock dinner, planned and carried out by Mr. Thomson's wife and sister, Miss Maria Irwin. Lovely yellow acacia flowers and smilax were used in table decorations, forming a beautiful centerpiece. The charmingly appointed dinner was served in four courses.

Mr. Thomson is one of the extensive and progressive farmers in the bottom lands east of Huntington Beach. Those present to enjoy the hospitality of the host and hostess were all relatives, including the father and mother of the honoree, Mr. and Mrs. P. H. Thomson; Mary Thomson of Garden Grove; Mr. and Mrs. E. C. Seely and sons, George and Carl-ton, and Mr. and Mrs. Ed Phillips of Los Angeles; Mrs. F. E. Farnsworth, daughter Evelyn and baby Good; Geo. R. Smith and son Donald of Santa Ana.

Mrs. Henry Huff Hostess
On last Friday the Lucky Thirteen met at the home of Mrs. Henry Huff and had its usual pleasant meeting. The time was spent in needlework and chat, and refreshments were served. Camellias were used in decoration.

Those present were Mrs. Will Hanna, Mrs. Dr. Wilcox, Mrs. Myrtle Brown, Mrs. Mize, Mrs. Carl Galbraith, Mrs. Walter Eden, Mrs. Chas. Overshiner, Mrs. Treat, Mrs. Abby and Mrs. O'Grady.

LUNCHEON AND WHIST

Miss Rosa Boyd Hostess—Several Out-of-Town Guests at Pleasant Event

Miss Rosa Boyd entertained most delightfully on Saturday with a luncheon party, followed by whist, at which several of her out of town friends were the guests of honor. Covers were laid for twenty, and the luncheon was served at small tables. A basket of fragrant white hyacinths and maiden hair ferns adorned each table and the springtime color scheme of white and green appeared throughout the various courses.

Miss Boyd's out-of-town guests were Mrs. Paul Shoup of San Francisco, Misses Jean Humphreys and Belle Chilton and Mesdames Read and Webster of Los Angeles.

The trophy for high score at the whist tables went to Mrs. H. D. Connel, and Mrs. J. H. Porter was rewarded for the second score, the consolation going to Mrs. Robert Reid. The Los Angeles guests cut for a guest prize, which went to Miss Belle Chilton.

Woman's Club Meeting

The Woman's Club will meet tomorrow afternoon at 2:30 o'clock at the home of Mrs. B. Uttley, 423 East Pine street. In response to roll call there will be quotations from the Hoosier poet, James Whitcomb Riley. The program for the afternoon will be in the form of a debate: "Resolved, that the best civilization is evolved from the working and middle classes." Affirmative, Mrs. James Alexander and Mrs. Katherine Clark; negative, Mrs. W. L. Grubb and Mrs. Annie Gale.

County W. C. T. U. Executive Meeting

The Orange County W. C. T. U. executive meeting will be held on Tuesday, Feb. 17, at 10 o'clock in the Methodist church in that city as was previously announced.

Lunch will be served at noon in the Baptist church. All those who desire to attend this meeting can do so by taking the Santa Ana-Orange autos at Fourth and Main streets, Santa Ana. All are cordially invited to attend.

A Valentine Event

Mrs. W. A. Lowman was hostess Friday afternoon at her attractive South Broadway home with a pretty party in which Valentine decorations were carried out in pink and white. "42" was one of the diversions, in which Mrs. Chas. Johnson won a white and gold hand painted Haviland dish as first prize. A silver vase consoled Mrs. George Heil.

Mrs. Johnson was also the winner of first prize in an interesting Valentine game, with Mrs. Townsend taking the consolation prize. Following the jolly games, the hostess served pineapple, cherry frappe, frosted cakes, mints and fruitade.

The guest list included Mesdames D. B. Norton, Charles Mitchell, Charles Johnson, F. Logan Norton, W. I. Stewart, T. Townsend, Fred Chapman, George Heil, H. O. Garlock, E. J. Roberts, G. D. Darnell, Frank Cannon.

At Sycamore Rebekah Lodge
Valentine Day, or rather the close of it, was properly celebrated last Saturday evening by the members of Sycamore Rebekah Lodge. Before the close of the business session, however, six new applications for membership were received and four others, previously received, were favorably voted on. Then a program was enjoyed during which a piano number was given by Miss Leona Peters, a vocal solo by Miss Nellie Bacon, accompanied by Mrs. Williams, a reading by Miss Esther Bird, a piano number by Miss Eula Cozad. The program was in charge of Mrs. Shoemaker.

The large number present then adjourned to the banquet room, where an inviting spread was awaiting. The room was gay with a profusion of red hearts and a rosy glow emanating from red-shaded electric lights. Appetizing viands were discussed to the accompaniment of merry laughter and chat.

Past Matrons to Meet
The Past Matrons Association O. E. S. will meet on Tuesday, February 17, at the home of Mrs. H. S. Gordon, 402 Cypress avenue.

VALENTINE DINNER

Pleasant Social Function is Given by Principal and Mrs. E. H. McMath

Prof. and Mrs. E. H. McMath entertained delightfully on Saturday evening with a Valentine dinner, their guests being a number of friends to whom they are socially indebted. The house was decorated in keeping with St. Valentine's day, literally hundreds of red hearts being used. On the lace draperies at each window was a cupid design in the center of red hearts, while heart portieres were at each door. The fireplace was banked with smilax with a heart design traced in its center with red geraniums. The place cards at the six course dinner served at 6:30 o'clock bore heart designs in water colors and the centerpiece was a glowing mass of poinsettias mingled with ferns.

The evening following the dinner was spent in merry and informal games interspersed with Victrola music and flow by on wings of pleasure.

Those asked to enjoy the hospitality of the McMaths were Mr. and Mrs. T. A. Winbiger, Dr. and Mrs. John Wehrly, Mr. and Mrs. P. H. McElree, Prof. and Mrs. W. M. Clayton, Prof. and Mrs. Emory Ratcliffe, Prof. J. A. Cranston, Miss Beth Phillips and Ernest Crozier Phillips. Misses Ada Hull, Pauline McElree and Irene Ashley were the trio of attractive girls serving the table.

A Pleasant Birthday Celebration

A very happy event occurred Saturday morning at the home of Mrs. Bull on West Second street in this city in honor of the birthdays of her eldest and youngest daughters, Miss Vanche Plumb and little Miss Josephine Plumb.

The beautiful breakfast table was laid for eleven people including Mrs. Bull and five daughters, also her brother and wife, Judge and Mrs. E. T. Langley and their niece Miss Goldworthy, and visiting friends from Forest Grove, Oregon, Mrs. Henry Wirtz and son, Mr. Herbert Wirtz. The decorations in the dining room were carried out in harmony with St. Valentine's Day and dainty place cards, flowers and lighted candles emphasized the color scheme of red and green.

Many beautiful gifts and letters of congratulations were bestowed upon the honored members of the party and all enjoyed the happy entertainment to the fullest. Vocal and instrumental music added greatly to the delightful program following the delicious breakfast.

Friends and relatives near and far unite in extending to Miss Plumb and her little sister their love and best wishes for many happy returns of the double birthday. Miss Plumb is one of the many excellent teachers in the Santa Ana schools and has made many warm friends during her short residence in our city. The following lines were composed for this occasion in memory of a happy day, Feb. 14, 1914:

There is a saying, tried and true
Heard many times by each of you,
That all the things of greater worth
Which we have loved upon the earth
Have oft been found in bundles small,
So you'll not wonder when I call
Your prompt attention to the fact
That by a loving, generous act
Of Providence, we gather here
In February of the year
To celebrate the double birth
Of "Little Joe," best child on earth,
And her big "little sister Vanche,"
Who like a mighty avalanche
Moves quietly along life's way.
With eye serene, without dismay
To do the duties one by one
From dawn of day to set of sun,
But I shall not attempt, my dears,
To read a horoscope, as seems
In ages long gone by
Foretold the great events of life
With good and ill so often rife,
I'll not attempt to prophesy
But on all loving thoughts rely.
That blessings of the very best
On these dear friends may ever rest.
And as the birthdays come and go
We say, "God bless you Little Joe,
And blessings on the sister, too,
Good cheer, kind friends for all of you."

Lecturer at Tea
The Woman's Foreign Missionary Society of the First M. E. Church has secured Miss Holman, Pacific Branch Missionary to India, to speak at the quarterly tea to be held at Mrs. John Van Wyk's home, 1109 French street, at 2:30 Wednesday afternoon.

Shower for Bride-to-Be
Mrs. Arthur Day entertained yesterday afternoon with a shower for Miss Marjorie Hoffman, who is to be married in the spring to Harry Leach of Santa Ana. The living room was a bower of peach blossoms and pink hearts. There were several contests in the afternoon, Mrs. Wm. M. Stearns being crowned Queen of Hearts in one of them.

Thank President Wilson and the Democratic party for the excellent fabrics in men's suits for Spring 1914.

Not for years have you been able to buy as good a suit for \$15, \$20 or \$25 as you can buy this new season.

While we show a large amount of English fabrics in our suits this season, the main result of the lowered tariff has been to compel the American cloth manufacturer to scale his prices down to a competitive basis—which he has done.

This store—as usual—is the first to offer the new and better fabrics.

It would be a pleasure to show you the new qualities.

VANDERMAST & SON

these. Prize-winners were Mrs. St. Arnold, Mrs. Hawk and Mrs. Joe Fitcher.

In the dining room, adorned with red hearts and red and white candles, the curtains were drawn and the red-shaded electric lights turned on. Under the roseate glow was a pretty appointed collation in which the salads, ice cream and cakes were heart-shaped. Following the feast a clothes basket of gifts were brought in and both the bride and groom to be unwrapped the various packages.

Those present besides the honorees and the hostess were Mesdames St. Arnold, Wm. Stearns, E. Gray, A. Partridge, Harward, E. B. Stearns, D. Walters, T. C. Beaton, Wiseman, Joe Fitcher, Ahlefeld, L. L. Stearns, Shriver, Hawk, Mrs. Jamar of San Pedro, Mrs. Rudolph of Orange.

Art Study Club
The Art Study Club meets at the home of Mrs. A. J. Padgham, 208 East Ninth street, on Wednesday evening at 7:30. Miss Childs of Chicago will exhibit paintings in oil and water color and her subject will be "Progress in Art." All interested in art are invited.

Valentine Social
A Valentine social was held at the First Christian church Saturday evening, all enjoying a pleasant evening. The decorations were appropriate to the season and the Valentine idea was carried out.

Thirty boys and girls were present and after a musical program of vocal, piano and violin solos, there were merry pastimes.

Nearing the Century Mark
Mrs. J. M. Cain and family motored to El Monte yesterday to help celebrate the nineteenth birthday of an uncle by marriage, Mr. Tarish, affectionately known by relatives and friends as "Uncle Ed." Mr. Tarish is known by a number of people in Santa Ana by his name and his wife, known in her neighborhood as "Aunt Sally" and who is 81 years old, frequently visit at the Cain home here, coming from El Monte by street car.

About fifty friends assembled yesterday at the Tarish's ranch home, taking in good things to eat with more than half a hundred gifts. The day was a happy one for the 90-year-old honoree and his wife as well as the guests.

HOG CHOLERA COST IOWA FARMERS \$33,000,000

AMES, Iowa, Feb. 16.—Hog cholera in Iowa cost the farmers \$33,000,000 in 1913. Nearly 3,000,000 hogs died of the disease and experts say this is nearly 35 per cent of the total number. The loss to Iowa farmers was two and a half times as great as during 1912, despite the efforts of the state and federal government to stamp out the disease.

These estimates are based on reports from 1120 different men covering every community in every county in the state, as compiled by Director W. J. Kennedy of the State Agricultural College extension department.

Dr. C. H. Strange, director of the state serum laboratory gathered statistics which show that when healthy hogs were treated the loss after treatment was less than 2 1/2 per cent. When sick hogs were treated the loss was between 16 and 17 per cent. But in many sections of the state serious results followed the use of good virus and poor serum. Experts say that provision must be made for the thorough testing of all serum, under either state or federal government, before it can be sold.

HORSES WITH TAILS EAT MORE
PARIS, Feb. 16.—"Horses with docked tails may graze here for ten cents a day; with long tails, 20 cents." Asked for an explanation of this curious sign displayed at the gateway of his meadow near Dieppe, the owner replied: "It is very simple. A docked horse, irritated by flies, is constantly interrupting his grazing to drive them off by swinging his head. The long-tailed horse, however, having full use of his tail for the purpose for which it was designed, is able to graze continuously; so he eats about twice as much as the other."

STANDARD OIL ABANDONS ITS WELL AT OLIVE

Pulling Out Casing, and Reported that Another Well is to Go Down

Orange, Feb. 16.—The Standard Oil Company is tearing down the derrick and pulling the casing of its well at Olive. This is believed to mean that the Standard did not find oil in paying quantities in the well. Another theory is that the Standard wants to get hold of more property in the Olive section before disclosing just what the hole showed. The activities of the Standard caused prices to go away up.

It is understood that the Standard will immediately commence the drilling of another well on the Bixby lease. The lease called for drilling at least two wells.

Motorcyclist Hurt

Saturday afternoon an automobilist, said to be a resident of Santa Ana, ran his machine off Shaffer street on to East Chapman and collided with James Holt and his motorcycle. Holt was picked up unconscious, and was taken to a physician's office by the automobilist. Aside from a scalp wound, Holt suffered no injury. He was about the streets today.

MRS. COLLINS WILL PRESIDE

Orange Progressives Ready to Meet Governor—To Form Club Thursday

ORANGE, Feb. 16.—Progressives of this section are finishing arrangements for the meeting to be held Friday afternoon, at which time Gov. Johnson and John M. Eshleman will address a meeting at Campbell's Opera House. The meeting will be held at 3 o'clock, Friday, Feb. 20.

Mrs. Susan Collins of this city is to preside at the meeting. Thursday evening, Feb. 19, at 7:30, at Jern's Hall (above Bind's Book Store) there will be a meeting of Progressives, both men and women, for the purpose of forming an Orange Progressive Club and making further arrangements for the Gov. Johnson meeting next day.

Progressives from Olive, Vivia Park, El Modena, West Orange, and McPherson precincts have been invited to join Orange Progressives in this meeting.
L. E. Smith, W. B. Park, L. A. Bortz, A. R. Aldrich, E. J. Leggett, S. M. Cradick, E. W. Camfield and H. T. Thomson are on the committee.

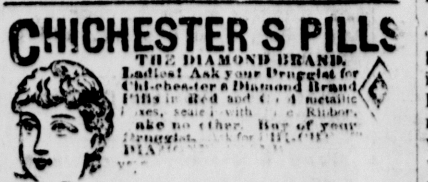

HYOMEI RELIEVES IN FIVE MINUTES

You Breathe It

If your head is all stuffed up from a cold or catarrh, you suffer with dull headaches and seem lacking in vitality, or are constantly sniffling and coughing, you need a remedy that will give the quickest, most effective and lasting relief possible—something that will go right to the spot, clear the head and throat and end your misery.

Surely use Hyomei—all druggists sell it. It is just such a remedy, and is entirely harmless and pleasant to use—you breathe it—no stomach dosing.

The antiseptic oils of Hyomei mix with the air you breathe—its health-giving medication immediately reaches the sore and inflamed mucous membrane—you feel better in five minutes. It is practically impossible to use Hyomei and not be relieved but permanently benefited. Rowley Drug Co. will refund your money if you are not satisfied. Ask for the complete outfit—\$1.00 size.—Advertisement.

ON WEDNESDAY WILL WORK ON RIVER'S BANK

Anaheim Finds that Another Freshet Might Do Serious Damage

Anaheim Herald: J. W. Duckworth, president of the Board of Trade, acting in conjunction with the committee for the river protection, has set a day for donations of teams and men to work on the river channel above the Olive bridge. Mr. Duckworth said that he was satisfied that unless something was done there at once, this city would stand in great danger of being greatly damaged should another flood like the one in January again occur. He said that the banks could not withstand any such flood. It was stated by the committee who were fighting the flood that if it had continued for another day, the banks would have gone out, and the water would have come down to Anaheim.

The following is the communication which Mr. Duckworth has issued:

A Warning to the Public
My attention being called to the present condition of the river above the Olive bridge I went out and made a personal investigation. I found that owing to the last rain it has left what protection there was very weak, and should we have much more rain, which we are likely to have, at any time, what little protection there is left would be entirely washed away. And unless there is some provisions made, and made at once, our community is going to suffer to what extent no one is able to estimate.

After taking up the matter with your protection committee I believe that some steps should be taken at once. And I believe that if your committee could be furnished with eight or ten teams and about fifteen extra men for one day it would enable them to make the protection sufficient for this spring at least.

Next Wednesday, the 18th, has been decided on for the performance of this work and as your committee is without the funds to pay for this work, it is requested that any who can assist in this work, report either to the committee or myself at once so that we will be able to know what we can depend upon.

Now this will amount only to very little to each one but may mean a great deal to our community.

Respectfully,
J. W. DUCKWORTH,
President Board of Trade.

A HEALTHY, HAPPY WIFE
is the greatest inspiration a man can have and the life of the family, yet how many homes in this fair land are blighted by the ill health of wife and mother!

It may be backaches, headaches, the tortures of a displacement, or some ailment peculiar to her sex, which makes life a burden. Every woman in this condition should rely upon Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, to restore her to health and happiness.—Advertisement.

ANNA HELD BEGINS FIGHT FOR ESTATE LEFT HER

SACRAMENTO, Feb. 16.—Court action here to recover for Anna Held, the actress, the \$60,000 estate left by Cherry de St. Maurice, late queen of the red-light district of Sacramento, was expected to be instituted here today. Cherry de St. Maurice was murdered in her resort here last July for her jewels. Sam Raber, a cafe entertainer, and Jack Drumgoole, a Chicago prize-fighter, were tried for her murder. Raber was sentenced to death and Drumgoole to life imprisonment. Attorney Charles F. Hanlon of San Francisco is looking after Miss Held's interests.

"Anna Held," he said today, "was the only relative of Cherry de St. Maurice. In 1911 when Miss Held played in Sacramento the St. Maurice woman called on her in her private car. 'You are my only heir,' she told Miss Held. 'If you outlive me I shall leave you everything I have. My mother was a sister of your father. As Cherry de St. Maurice did not leave any will, her estate is in escheat to the state of California, but I shall endeavor to forestall escheat proceedings on behalf of Miss Held.'"

Dispatches received here from Miss Held said she could not remember the name of her benefactor, except that it was French and "about two feet long."

"It is very sad," said the actress, "that the poor woman was murdered. I remember her well. She always visited me when I played in Sacramento. I saw her many times. Of course, money is money, but the woman was very sweet to me. I have received word that the estate belongs to me and will take the case into the courts if necessary."

Horrible Blisters of Eczema
Quickly cured by Dr. Hobson's Eczema Ointment. C. P. Caldwell, of New Orleans, La., states: "My doctor advised me to try Dr. Hobson's Eczema Ointment. I used three boxes of Ointment and three cakes of Dr. Hobson's Dermia Zema Soap. Today I have not a spot anywhere on my body and can say I am cured." It will do the same for you. Its soothing, healing, antiseptic action will rid you of all skin humors, blackheads, pimples, Eczema blotches, red unsightly sores, and leaves your skin clean and healthy. Get a box today. Guaranteed. All druggists, or by mail, Pfeiffer Chemical Co., Philadelphia & St. Louis.—Advertisement.
